

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 873
Version:	CS
Request No.:	1754
Author:	Sen. Rosino
Date:	02/24/2025

Bill Analysis

SB 873 provides that any expansion or addition to the University Hospitals shall not require a certificate of need. The measure also strikes references to outdated property and directs the University Hospitals to operate a public Level I Trauma Center. The Center shall meet the standards and requirements of the American College of Surgeons. The University Hospitals shall be required to annually certify to the Oklahoma Health Care Authority that the University Hospitals meet such standards and requirements.
