**Bill Summary and
Fiscal Analysis:**

SB 129 provides that a registered voter may apply for an in-person absentee ballot at a location designated by the secretary of the county election board from 8 a.m. to 6 p.m. on the fourteen calendar days preceding an election. The Oklahoma State Election Board states the cost of 14 days of early voting per statewide election would be approximately \$1,120,000. This does not take into account the additional polling place rental and staffing costs that would be attributed to the individual county government. In years where there are three or more statewide elections, additional funding or a supplemental appropriation may be needed.
