

Senate Fiscal Summary
1st Session of the 60th Legislature

Senate Bill 3

Version:	INT
Agency:	Oklahoma Department of Environmental Quality
Senate Author:	Green
House Author:	George
FY'26 Impact:	\$19,072
Full Year Impact:	\$19,072

**Bill Summary and
Fiscal Analysis:**

SB 3 defines sludge and biosolid material and establishes a moratorium on sludge and biosolid and material until July 1, 2028. The bill directs the Department of Environmental Quality (DEQ) to revoke all current active permits.

The Department has 54 permitted land application sites for septage haulers. The annual permit fee for these sites is \$353.19 a year. The DEQ estimates a fiscal impact of approximately \$19,072 annually.

Fiscal impact provided by the DEQ.
