

REVENUE IMPACT STATEMENT 2025 REGULAR SESSION 60TH LEGISLATURE, 1ST SESSION

BILL/VERSION: SB 305 / INTRODUCED ANALYST: MK

AUTHORS: Sen. Deevers DATE: 1/22/2025

TAX(ES): Income Tax

SUBJECT(S): 0% Individual Income Tax Rate

EFFECTIVE DATE: November 1, 2025 **Emergency** □

ESTIMATED REVENUE IMPACT:

FY26: Decrease in individual income tax collections of \$6.5 billion. FY27: Decrease in individual income tax collections of \$4.9 billion.

Note: A Nov. 1, 2025, effective date shifts the impact of this proposal to FY26; withholding and estimated tax remittances reflecting the proposed rate reduction should not change until after November 1, 2025.

ANALYSIS: SB 305 proposes to amend 68 O.S. § 2355 by specifying that there shall be no tax imposed upon the Oklahoma taxable income of any resident or nonresident individual for tax year 2025 and subsequent tax years.

ADMINISTRATIVE CONCERNS: Tax year 2025 income tax withholding tables would require a midyear adjustment and would result in a significant amount of tax year 2025 refunds in 2026 when the returns are filed. Additionally, SB 305 does not amend any other sections of the Oklahoma Income Tax Act (68 O.S. § 2351 et seq.). Under 68 O.S. § 2368, taxpayers must still file income tax returns even though no tax is due. Professional license holders must remain income tax compliant to renew their licenses. Additionally:

- Refundable tax credits including Parental Choice Tax Credits, Oklahoma Earned Income Tax Credit, Low Income Property Tax Relief, and Sales Tax Relief - must still be refunded to eligible taxpayers.
- In addition to apportionment to the General Revenue Fund, income tax collections fund a variety of other funds, including but not limited to the Education Reform Revolving Fund, Teachers Retirement, Ad Valorem Reimbursement Fund, Quality Jobs Program, and the Rebuild Oklahoma Access & Driver Safety Fund.
- Income tax returns can be amended up to 3 years from the original due date. Tax year 2024 returns can generally be amended until April 2028.
