**Bill Summary and  
Fiscal Analysis:**

SB 349 requires quarterly reporting of “reportable funding” received by any public or private institution of higher education in Oklahoma from a foreign source during the previous quarter. The measure sets forth the contents of the reported information. Reports are to be posted to institutional websites, with electronic copies to be provided to the Speaker, Pro Tempore and Governor.

Any administrative costs to generate the reports, inasmuch as they are digital in structure, should not be overly significant in the understanding of the provisions at present.

Fiscal Impact provided by the State Regents for Higher Education.
