**Bill Summary and  
Fiscal Analysis:**

SB 890 modifies the provisions of the Local Government Campaign Finance and Financial Disclosure Act. The measure would require each campaign committee and municipal political committee to file directly with the Ethics Commission, rather than the municipal clerk. The Ethics Commission has stated the measure will not have a fiscal impact on the agency, however it is important to note the Commission is requesting an additional \$300,000 in recurring funding to expand its political subdivision enforcement as a part of their FY'26 budget requests.
