SUBJECT(S):	Plugging Fund	
EFFECTIVE DATE:	November 1, 2025	Emergency <input type="checkbox"/>

ESTIMATED REVENUE IMPACT:

FY26: None.

FY27: None.

ANALYSIS: SB 897 amends 17 O.S. §180.10, specifically extending the termination date for provisions related to the Corporation Commission (OCC) Plugging Fund from July 1, 2026, to July 1, 2036. It also extends the requirement that the fund be maintained at \$5 million, and if it falls below this threshold, the Oklahoma Tax Commission must reinstate an excise tax on oil and gas until the fund is replenished. These provisions, originally set to expire in 2026, will now remain in effect until 2036.

For FY24, OTC apportioned \$1.9 million to the Corporation Commission Plugging Fund. The Fund, and respectively, the current balance, is maintained by OCC.
