**Bill Summary and
Fiscal Analysis:**

SB 985 creates the Oklahoma Local Food for Schools program to facilitate the purchase of local foods by school districts, and directs the Oklahoma Department of Agriculture, Food, and Forestry (ODAFF) to operate the program.

The Department was previously appropriated \$3,200,000 in FY'25 for the program; however, as written, there is no fiscal impact. The Department states they can use as much or as little funding as is allocated by the Legislature for the program. The fiscal impact is subject to the availability of funds.

Fiscal impact provided by the ODAFF and Senate staff.
