Adopted: _____

Amendment submitted by: Ronald Stewart _____

Reading Clerk

1 STATE OF OKLAHOMA

2 1st Session of the 60th Legislature (2025)

3 PROPOSED POLICY
4 COMMITTEE SUBSTITUTE
5 FOR
6 HOUSE BILL NO. 1117

By: Stewart

7
8 PROPOSED POLICY COMMITTEE SUBSTITUTE

9 An Act relating to in vitro fertilization; providing
10 legal protections for health care providers;
11 providing for practice of medicine; providing legal
12 protections for the child or children; providing that
13 human embryos are the patient's property; directing
14 there be no limit to the number of embryos; providing
15 for codification; and providing an effective date.

16 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

17 SECTION 1. NEW LAW A new section of law to be codified
18 in the Oklahoma Statutes as Section 560 of Title 10, unless there is
19 created a duplication in numbering, reads as follows:

20 A. The technique of in vitro fertilization or human embryo
21 transfer may be performed in this state by persons duly authorized
22 to practice medicine at the request and with the consent in writing
23 of the parties desiring the utilization of such technique for the
24 purpose of conceiving a child or children.

1 B. No person shall perform the technique of in vitro
2 fertilization or human embryo transfer unless currently licensed to
3 practice medicine in this state, and then only at the request and
4 with the written consent of the parties desiring the utilization of
5 such technique. Said consent shall be executed and acknowledged by
6 both the parties and the person who is to perform the technique.

7 C. Any child or children born as a result of in vitro
8 fertilization or human embryo transfer shall be considered, for all
9 legal intents and purposes, the same as a naturally conceived child
10 of the parties that consent to and receive in vitro fertilization or
11 human embryo transfer.

12 D. Human embryos created during in vitro fertilization shall be
13 considered at law the patient's property.

14 E. There shall be no limit to how many number of human embryos
15 that can be created or frozen in a single in vitro fertilization
16 cycle.

17 SECTION 2. This act shall become effective November 1, 2025.
