**Fiscal Analysis**

The proposed policy committee substitute to HB 1433 re-creates the Special Investigative Unit Auditing Revolving Fund. The fund shall consist of all monies received by the State Auditor and Inspector from funds withheld from a municipality's allocations of gas taxes pursuant to certain Oklahoma Statutes, all monies received from legislative appropriations for the purpose of conducting investigative municipal audits, and all monies that remain in the Special Investigative Unit Auditing Revolving Fund. The measure does not specify or direct an amount of funding for deposit. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
