**Research Analysis**

The committee substitute to HB 2302 designates certain parking spaces on the Oklahoma State Capitol grounds to be assigned by the Governor, President Pro Tempore of the Senate, and the Speaker of the House of Representatives. The measure also authorizes the Department of Public Safety (DPS) to use the southernmost two rows of parking spaces in the south parking lot of the Oklahoma State Capitol grounds for a large vehicle inspection station. DPS is allowed to post signage regarding the large vehicle inspection station along Lincoln Boulevard and at the gatehouses for both the Senate and the House of Representatives. All unassigned parking spaces in the south parking lot and the parking lot east of the Oklahoma State Capitol Building on the east side of Lincoln Boulevard are reserved for visitors.
