Fiscal Analysis

HB 2754 creates the Oklahoma Rural Hospitals Funding Assistance Grant Program to improve access to health care services in rural areas of the state. The program will be administered by the State Department of Health (OSDH), which is authorized to adopt rules and procedures for its implementation.

The measure establishes the Oklahoma Rural Hospitals Funding Assistance Grant Program Revolving Fund within OSDH for administration; however, it does not appropriate any money to the Fund. Therefore, in its current form, HB 2754 has no direct fiscal implications for the state.
