**Research Analysis**

SB 1108 transfers all duties related to aircraft registration to Service Oklahoma.

Prepared By: Brad Wolgamott

**Fiscal Analysis**

The measure transfers certain responsibilities relating to registrations, taxes, and fees to Service Oklahoma from the Oklahoma Tax Commission. Service Oklahoma anticipates implementation of the measure to require one additional FTE at \$90,000 recurring, and a one-time system modification cost of \$58,000. All costs are expected to be absorbable by existing agency resources at Service Oklahoma. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
