**Bill Summary and
Fiscal Analysis:**

SB 222 establishes the Maternity Care Pilot Program at the Oklahoma State Department of Health. The Department will select one hospital to receive a one-time \$5,000,000 grant to support labor and delivery services at a hospital.

In addition to the \$5,000,000 grant funding, OSDH believes that this measure will create an additional need of .5 FTE with an estimated cost of \$52,875.

Fiscal Impact provided by the Oklahoma State Department of Health.
