2 1st Session of the 60th Legislature (2025)

3 HOUSE BILL 1603

By: Gise

4  
5  
6 AS INTRODUCED

7 An Act relating to schools; requiring teaching of  
8 human growth and development curriculum; specifying  
9 curriculum requirements; requiring school districts  
10 to offer human growth and development curriculum in  
11 an age-appropriate manner; allowing district to  
12 choose how to incorporate certain instruction;  
13 requiring certain instruction for graduation;  
14 requiring integration of certain instruction with  
15 health or science education; mandating the human  
16 growth and development curriculum be incorporated in  
17 the state academic content standards; directing the  
18 State Department of Education to develop certain  
19 guidelines and resources for schools and teachers;  
20 providing for codification; providing an effective  
21 date; and declaring an emergency.

22 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

23 SECTION 1. NEW LAW A new section of law to be codified  
24 in the Oklahoma Statutes as Section 11-203 of Title 70, unless there  
is created a duplication in numbering, reads as follows:

A. Human growth and development curriculum shall be taught in  
the public schools of this state. Human growth and development  
education shall include, but is not limited to:

1. Human biology related to pregnancy;

1        2. Human development inside of a womb;

2        3. A high-definition ultrasound video, at least three (3)  
3 minutes in duration, showing the development of the brain, heart,  
4 sex organs, and other vital organs in early fetal development; and

5        4. A high-quality, computer-generated rendering or animation  
6 showing the process of fertilization and every stage of fetal  
7 development, highlighting significant markers in cell growth and  
8 organ development until birth.

9        B. School districts shall provide the curriculum described in  
10 subsection A of this section to students in grades one through six  
11 in an age-appropriate manner. Schools may incorporate the  
12 curriculum into an existing course or courses or develop curriculum  
13 for a separate course.

14        C. School districts shall provide a continuation of the  
15 curriculum described in subsection A of this section to students in  
16 grades seven and eight in a developmentally appropriate manner.  
17 Schools may incorporate the curriculum into an existing course or  
18 courses or develop curriculum for a separate course.

19        D. In order to graduate from a public high school accredited by  
20 the State Board of Education with a standard diploma, students in  
21 grades nine through twelve shall receive human growth and  
22 development instruction as described in subsection A of this  
23 section. Such instruction shall be integrated into health or  
24 science education and shall be incorporated into the state academic

1 content standards adopted by the State Board of Education pursuant  
2 to Section 11-103.6 of Title 70 of the Oklahoma Statutes.

3 E. The State Department of Education shall develop guidelines,  
4 material, professional development programs, and resources designed  
5 to enable schools and teachers to infuse human growth and  
6 development instruction within any course of study currently offered  
7 by the school district or offer human growth and development as a  
8 separate course.

9 SECTION 2. This act shall become effective July 1, 2025.

10 SECTION 3. It being immediately necessary for the preservation  
11 of the public peace, health or safety, an emergency is hereby  
12 declared to exist, by reason whereof this act shall take effect and  
13 be in full force from and after its passage and approval.
