

STATE OF OKLAHOMA

1st Session of the 60th Legislature (2025)

SENATE BILL 931

By: Jech

AS INTRODUCED

An Act relating to social media; defining terms; requiring certain age verification; requiring segregation of certain data; requiring social media platforms to take certain actions for minor users; providing certain criteria; requiring social media platforms to offer certain supervisory tools; prohibiting certain action; requiring certain parental consent; stating certain presumption; stating certain exceptions; authorizing certain appeal; establishing time frame for certain determination; construing provision; authorizing Attorney General to bring civil action and seek certain relief; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 204 of Title 75A, unless there is created a duplication in numbering, reads as follows:

A. As used in this section:

1. "Account" means a digital profile on a social media platform that is created by a user;

2. "Connected account" means an account on the social media platform that is directly connected to:

1 a. the minor user's account, or

2 b. an account that is directly connected to an account
3 directly connected to the minor's account;

4 3. "Content" means any information, visual depictions, tools,
5 features, links, software, or other materials that appear on or are
6 available or enabled through a social media platform;

7 4. "Directly connected" means an account on the social media
8 platform that is connected to another account by:

9 a. sending a request to connect to another account holder
10 and having the request to connect accepted by the
11 other account holder, or

12 b. receiving a request to connect from another account
13 holder and accepting the request to connect;

14 5. "Minor" means an individual under eighteen (18) years of
15 age;

16 6. "Personal information" means information that is linked or
17 can be reasonably linked to an individual, including, but not
18 limited to:

19 a. first and last name,

20 b. date of birth,

21 c. home or physical address, including street name and
22 city,

23 d. screen name or username that reveals an individual's
24 email address, first name, or last name,

- e. telephone number,
- f. Social Security number,
- g. photograph, video, or audio file containing a person's image or voice,
- h. geolocation information sufficient to identify street name and city, and
- i. any other identifier that a person may use to contact a specific individual;

7. "Push notification" means an automatic electronic message displayed on an account holder's device, when the user interface for the social media service is not actively open or visible on the device, that prompts the account holder to check or engage with the social media platform;

8. "Social media platform" means a website or internet medium that:

- a. permits a person to become a registered user, establish an account, or create a profile for the purpose of allowing users to create, share, and view user-generated content through such an account or profile,
- b. enables one or more users to generate content that can be viewed by other users of the medium, and

1 c. primarily serves as a medium for users to interact
2 with content generated by other users of the medium;
3 and

4 9. "User" means an individual who accesses or uses a social
5 media platform.

6 B. 1. A social media platform shall perform reasonable age
7 verification methods to determine whether a user who is a resident
8 of this state is a minor. A social media company shall segregate
9 any personal information gathered specifically for reasonable age
10 verification purposes and shall not use the personal information for
11 any other purpose except those provided in subparagraphs a through f
12 of paragraph 2 of subsection D of this section.

13 2. If a user is determined to be a minor, a social media
14 platform shall:

15 a. set default privacy settings to prioritize maximum
16 privacy of such minor user's account, including
17 settings that:

18 (1) restrict the visibility of the minor user's
19 account to only connected accounts,

20 (2) limit the minor user's ability to share content
21 to only connected accounts,

22 (3) restrict any data collection and sale of data
23 from a minor user's account that is not otherwise
24

1 required for core functioning of the social media
2 platform,

3 (4) disable search engine indexing of the minor
4 user's profiles,

5 (5) restrict a minor user's direct messaging
6 capabilities to only allow for direct messaging
7 to connected accounts, and

8 (6) allow a minor user to download a file with all
9 information associated with his or her account,

10 b. implement and maintain reasonable security measures,
11 including data encryption, to protect the
12 confidentiality, security, and integrity of personal
13 information collected from a minor user who is a
14 resident of this state,

15 c. provide an easily accessible and understandable notice
16 that:

17 (1) describes any information the social media
18 platform collects from a minor user, and

19 (2) explains how the information may be used or
20 disclosed, and

21 d. disable the following features that prolong engagement
22 on a social media platform by a minor user:

23 (1) autoplay functions that continuously play content
24 without user interaction,

- (2) scroll or pagination that loads additional content as long as the user continues scrolling, and
- (3) push notifications prompting repeated user engagement.

3. Upon request of a minor user, a social media platform shall:

- a. delete the personal information of the minor user, unless the information is required to be retained pursuant to state or federal law, and
- b. remove any information or material the minor user made publicly available through the social media platform.

C. A social media company shall offer supervisory tools for a minor user that the minor user may decide to activate. Such supervisory tools shall include capabilities for a parent or legal guardian of the minor user to:

1. Set time limits for the minor user's daily social media service usage across devices;
2. Schedule mandatory breaks for the minor user during selected days and times across devices;
3. View:
 - a. data detailing the minor user's total and average daily time spent on the social media platform across devices,
 - b. a list of connected accounts,

1 c. a list of accounts blocked by the minor user, and

2 d. the minor user's:

3 (1) privacy settings,

4 (2) content sensitivity settings, and

5 (3) direct messaging settings and permissions; and

6 4. Receive notifications when the minor user changes an account
7 setting described in this subsection.

8 D. 1. A social media platform shall not allow a minor user who
9 is a resident of this state to change the default data privacy
10 setting provided for in subparagraph a of paragraph 2 of subsection
11 B of this section without first obtaining verifiable written consent
12 from a minor user's parent or legal guardian. The social media
13 platform shall verify the identity of the person consenting and the
14 relationship of the person consenting to the minor.

15 2. A social media platform's terms of service related to a
16 minor user who is a resident of this state shall be presumed to
17 include an assurance of confidentiality for the minor user's
18 personal information. The presumption of confidentiality may be
19 overcome if the social media platform obtains verifiable written
20 consent from a parent or legal guard of the minor user. The
21 presumption of confidentiality does not apply to a social media
22 platform's internal use or external sharing of a minor user's
23 personal information if the use or sharing is necessary to:

- a. maintain or analyze functioning of the social media service,
- b. enable network communications,
- c. personalize the user's experience based on the user's age and location,
- d. display a username chosen by the minor user,
- e. obtain reasonable age verification information as required by paragraph 1 of subsection B of this section, or
- f. comply with the requirements of this act or any other federal or state law.

E. A social media platform shall:

1. Implement a review process allowing a user to appeal his or her age designation by submitting documentary evidence to establish the user's age range; and
2. Review evidence submitted by the user and make a determination within thirty (30) days of submission of the evidence.

F. The provisions of this section shall not apply to a text messaging platform or a platform for which the primary purpose is related to education or health care.

G. The Attorney General is authorized to bring a civil action against a social media platform for a violation of the provisions of this section and to seek injunctive relief or other appropriate relief as determined by the court.

1 SECTION 2. This act shall become effective November 1, 2025.
